**Superior Fit
and Dexterity**

The Yeti Winter Mitt

- This three-finger mitt was originally designed for welders to use in cold weather. We added our five-finger moisture barrier with the same lining we have in our fire gloves. The result is a mitt that keeps fingers warm in very cold temperatures, yet provides complete use of the thumb and index finger.
- **Independently Certified Barrier**
Our Porelle[®] FR moisture barrier is independently certified by SEI to be compliant with 1971 NFPA Standards, 2013 edition. It allows your hands to expel moisture and still protects them from chemicals and blood pathogens.
- Radio channels can be changed while wearing gloves!
- Secure grip, wet or dry
- Fas-Dri[™] leather assures rapid drying after use and allows gloves to remain supple

A glove that fights the cold... so you can fight fires!

Porelle[®] is a registered trademark of PIL Membranes LTD.

The Yeti Fire Mitt

SPECIFICATIONS

I. Construction

- a. This three-fingered mitt features an inset thumb constructed from a single piece of leather. The body of the glove has an index finger and a 3-finger mitt.
- b. Outer shell: premium bovine grain leather, treated to resist moisture and flame and to stay soft after repeated wet/dry cycles.
- c. Moisture barrier: Porelle® FR moisture barriers are used to provide durable protection against water, chemicals and blood-borne pathogens.
- d. Moisture barrier is independently certified by SEI to meet current NFPA® standards.
- e. Moisture barrier inserts are securely attached to the shell to prevent inverting (pull-out).
- f. There is a leather palm patch.
- g. All seams are lock-stitched, with 10 stitches per inch, using DuPont™ Kevlar® 30/3 spin yarn aramid thread for greater strength against heat and cut.
- h. Elastic snugger band is used on BOTH palm and back of the mitt to provide a more secure fit, utilizing zigzag stitching for greater stretch capability.
- i. This 3-finger mitt is available in six sizes ranging from S to 3XL.
- j. Each pair of Yeti mitts is individually poly-bagged, along with maintenance and inspection instructions.

NOTE: This Yeti Fire Mitt is not certified to any NFPA Standard.

II. Catalog Number for The Yeti Mitt

- **FC-Yeti** Specify sizes: S, M, L, XL, 2XL, 3XL (larger sizes available upon request).
